Prophecy

In the year of 1988, the 2nd graduating class of 1975 met at J.R.'s Place to discuss our greatly messed up lives.

KIM ADAMS—She was recently selected as Queen of the Peach Growers Association after competing against 1500 sisters.

STEPHANIE ANDRUS—She is just opened a school for teaching cheats to young girls who wish to become check-cadets. Now if only someone would teach her.

JERRY BACHMAN—She is now full-time housewife. She stays busy, although her B by Notters.

CINDY BRAN—has her own school for teaching people how to cut speed bumps in only two years.

ANDREA BROOKS is fully employed by baby-sitting her husband, whoever he may be.

DAVID COLLINS now has his own lot selling used cars at new car prices.

KELLY COLLINS has gone into partnership with her mother in her beauty shop. Now she could only learn how to go from sweeping floors to fixing hair.

J.R. DILLERS—After one crank too many and one cur too fast, J.R. made two cranks too many and shot right with us. He willed to the town of Petrolia his progressive pool hall.

MARK ELLIOTT is now fully employed at the Petrolia Memorial Home, keeping out of it.

CAROL GIBBS has been elected to her team of the past years. She was referred as married at Holiday Inn.

ALAN GLASGOW—After 9 years, he finally received his teaching degree in vocational agriculture. Now he will be going after Mr. Burkett's job at Petrolia High.

CHRISTIE GREEN is spending most of her time at home taking care of her many children. Now all she needs is a husband to help her support them.

KATHY HABERMAN has just become the proud mother of twin Baby-Babies.

KATHY HALL is still being chased by these younger men. Last word was she was caught.

HOWARD HARRISON and his overly well-lesbe last returned from a tour of the United States where it farms.

TROY INMAN was just admitted to the Betty Crocker Hall Of Fame as King Donut.

RENÉE MAHLER—She and her husband are living on their ranch in Dandee, only she is the rancher, not her.

TOM McAFEE—He has gone into an early retirement with a \$25,000 pot. He married rich.

TRACIE OVERSTREET—She has finally settled down with a husband and five boy friends.

LUTHER RILEY & DEANA PATTERSON—He has now taken over mayors'hip of Petrolia with the help of Deana. She gives him suggestions on how to run the town.

ROBERT PATTERSON—He finally decided to go to school long enough to graduate.

SHARON PETTIT—She is now executive secretary of the Petrolia Independent Schools.

DARRYL PICKERING—He is now sole owner of Pickering's Pizza Place in the great metropolitan of Petrolia.

DELORAS RIDINGER—She is now working faithfully beside her husband, Billy, on her ranch. She loves stomping through good country earth!

PAUL RIDINGER—He owns a dairy and is teaching "Little Girls" the special "C-Ho-K" technique.

JERRY SIMMONS—He owns a chain of Texaco stations and is down to a dime 100 lbs. Keep on trucking, Jerry!

MELISSA VAN HUSS—She has recently been named "Wife of the Year" of the Fireman's Association.

CECIL WATSON—He is now head water boy of the New York Knicks.

PAM WRIGHT—She is now a fine Registered Nurse taking care of her husband, Gary.

MICHAEL WYATT—He is still working for North Gate International trying to figure out how to put the engine back into a truck.

Will and Testament

We the 74th graduating class of P.H.S., being a ragged mob of shabby blades, declare this our last will and testament.

KIM ADAMS leaves to Jeri Jones her favorite toothbrush to use in Washington.

STEPHANIE ANDRUS leaves to Don Campbell "a chance for a glance" now that she's leaving.

FERRI BACHMAN leaves to Cathy Adams her worn out tenny shoes and Burt Weems a ham in hopes that Cathy enjoys them as much as she has.

CINDY BRIAN leaves to John Deason her way to fix curls. If any trouble John just give her a ring. She can help.

ANDREA BROOKS leaves to Darla Demers her 230 lb. teddy bear. Watch it when he rols over Darla!

DAVID COLLINS leaves to Mike Warren and Dave C. an book on "How to Grow 6 inches in 6 weeks."

KITTY COLLINS leaves to Vickie Henderson and Dar Miller her "Rubber Ducks" and "Stuffed Teddy" because she knows they'll take great care of them.

J. R. DEMERS leaves to Dennis McAden and Sue Nix his fantastic driving ability.

MARK ELLEDGE leaves his ability to sink the teachers under with his supercil tragical cespit adicious grammar to John Bowen and Kenny Browning.

CAROL ETIS leaves to Gary Hamilton and Donnie Hudner her ability to get plastered in one beer.

ALAN GLASGOW leaves to Billy Smith an empty parking place in a certain driveway.

KATHY HALL leaves to Sammie Hamilton 6 boxes of cotton along with her motto "What Mother Nature has forgotten can always be replaced with cotton."

CHRISTIE GREEN leaves to Jeanne Lane her little brother with directions on how to feed him.

DIAN HABERMAN leaves to Linda Bachman her ability to manage money in the house. With a few tips on how to survive a marriage.

HOWARD HARRISON leaves his "Wedding Be- Blues" to Dewayne Davidson and knows it's a long wait.

TROY INMAN gives his membership card to Seymour Highway Electric Co. to Donald Bitz in hopes that he and Theresa Taylor have a ball. Go Get 'Em Theresa.

RENNE MAHLER leaves to Kim Bevering her newest tips on straightening hair.

TOM McAFEE leaves his loud pipes and speedy wheels to James Nix.

IRACIE OVERSTREET leaves her mach used mouth muffers to Carla Dowlen and Dian Greeling because she knows they will be used faithfully.

DEANA PATTERSON leaves to Larry Good and Ted Brian her favorite record "Together Again" in hopes that together they'll enjoy it.

ROBERT PATTERSON leaves to Steve Guice his job fixing "window panes," in hopes that Steve really enjoys his job.

SHARON PETTIT leaves to Dale Price 6 inches of ravishing red hair and hopes Dale does what's best with it.

DARRELL PICKERING leaves to Dennis Austin and Don Riley his ability to sleep in class and still makes 100's on tests.

DELORAS RIDINGER leaves to Jeanne McKinley her fantastic shorthand speed with her tape recorder she uses so secretly.

PAUL RIDINGER leaves to Charles Nauman his daily job with the cows because Paul thinks he has a real "Grit Squeeze" about him.

LUTHER RILEY leaves to Mark Rutledge his map of Petroia and hopes Mark doesn't get lost in big Metropolis.

JERRY (Tiny) SIMMONS leaves 200 lbs. of beautiful baby fat to Tony Via.

MELISSA VAN HUSS leaves to Allen Bennett and Robert Simmons 6 inches with her favorite book on "Little League Baseball."

CLUE WATSON leaves to Roy Lengerer his ability to control his tongue in a certain teacher's class.

PAM WRIGHT leaves to Leslie McCarty her ability to stick to one man and never stray.

MICHAEL WYATT leaves to Sue Ryan his ability to be at school nearly as much as she.
